Dear Spotter(s),

Here are the details of our next trip to Swindon which is to take place on the 26th of this month and will include a visit to the motive power depot which has an approximate allocation of 105 locomotives. Messrs. Evertons of Droitwich have promised us their best driver, and you will remember him from our Birmingham and Chester trips.

Departure from Worcester will be at 11.30 a.m., and the coach will leave from The Great Western Hotel, (outside Strub Hill Station). The next call will be at Evesham Station at 11.50 a.m. The works at Swindon will be visited at 2.30 p.m., and some time may be available for spotting on the station beforehand. We should be away from Swindon by 4.30 p.m., and we hope to be back in Evesham by 6.30 p.m. and Worcester by 6.50 p.m. If anyone would like to be picked up en route, he should drop me a line (not forgetting an S.A.R.). Anyone who would like details of connecting services should do the same. The fare will be 11/6d. for all classes from all points. Intending participants should fill in the form below and return it to me with (a) the fare in full or (b) a deposit of 3/6d. In the case of (b) the balance of 8/- will be payable by Wednesday, 22nd January. This trip is subject to bookings and the organisers reserve the right to return all amounts paid to them in complete discharge of their duties.

I regret that I can no longer accept payments in cash and all money must be sent in the form of an uncrossed postal order (just in case it has to be returned). This doesn't mean that I don't want you to call on me! You're always welcome!!

We could do with some new members so get cracking on recruiting, and for every new member you get to join, I'll lop 3d. off your next trip fare (for a limited period only). I hope I'll see you on the 26th.

Yours very truly,
A.J.H. HODGES,
Group Secretary.
