

WORCESTER LOCOMOTIVE SOCIETY

WOLVERHAMPTON TRIP

Sunday 20th March 1960

This visit was organised by Gerald Wadley under the auspices of the Worcester Branch of the Gloucester Area of the Ian Allan Loco Spotters Club. Originally scheduled for the month before this trip was reorganised to focus on the Wolverhampton sheds. Perhaps because of the short notice only ten people were in the party. These notes are believed to record all the locomotives seen by Gerald (except for a few entries that could not be read properly).
